

## New AI Guidance for Employers Issued

July 5, 2023

Reading Time : **1 min**

By: Natasha G. Kohne, Joseph Hold

New technical guidance on how to measure adverse impact when employment selection tools use artificial intelligence (AI) was released by the EEOC. Companies currently using or considering using AI or other algorithmic decision-making in the employment context should look to this nonbinding technical assistance when validating employment tests and other selection devices.
